#### Southern Area FAMILY SUPPORT HUB

Many families need a little extra help sometimes

Information for Families

#### What is the Family Support Hub?

- The Family Support Hub is a meeting of representatives from community, voluntary and statutory organisations who deliver services for children and families in your area.
- Each Family Support Hub has a lead body who co-ordinates the meeting and receives the referrals.
- The members of the Family Support Hub are from a range of statutory and community/voluntary agencies who offer services in your area. These agencies include; Education Welfare, Health Visiting, Womens Aid, Homestart, Social Services Surestart and Child and Adolescent Mental Health Services.
- Referrals will not be accepted without your consent. If the young person you are seeking support for is over 16, they must also sign the referral form.
- For more information follow this link <https://vimeo.com/216493917>

#### Your Family Support Hub Will

- Meet once a month to discuss referrals to identify and connect you and your family to the service you need at a time when you need it.
- Work in partnership with you and your family.
- Act professionally ensuring all information is treated in a confidential manner.

#### How The Hub Works

A referral form is submitted to your local hub-coordinator.

The Hub Co-ordinator may contact you for more information prior to the Hub meeting.

Hub Co-ordinator will present all referrals received to the monthly meeting. The Hub members will then discuss your referral and aim to match your family to the best service for you.

Only core Hub Members attend the meeting, you will not need to attend.

You will receive a letter from the Hub Co-ordinator to let you know what service was identified as most appropriate to meet your needs.

The service that was identified as most appropriate will then contact you directly.

You can choose whether or not you wish to accept the support that has been offered. You are in control.

#### What Are The Criteria For Making A Referral To The Hub?

- Your family would like support - this is a voluntary process and you can withdraw your referral at any time.
- You are a family with children aged 0 -17 years.
- No social worker currently involved with your family.

#### Some of the challenges the Hub can help with

- Children's wellbeing
- Managing behaviours
- Social Isolation
- Family routines
- Domestic violence
- Change of family situation
- Support with young children
- Alcohol / drug misuse
- Establishing boundaries .i.e tech
- Teen issues

#### Who Can Refer To The Hub?

- You can make a self-referral to the family support hub or a referral can be made by anyone working on your behalf i.e. teacher, doctor, health visitor or community group.
- You can download a referral form from <http://www.cypsp.hscni.net/family-support-hubs/> or just pick up the phone and call your local family support hub co-ordinator. Details can be found on the back of this leaflet.
